Dear Mr. Walker:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are, therefore, compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration will be mailed to you.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a Council Review Committee, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated.

Sincerely,
